Chocolate bars «Feelings» handmade

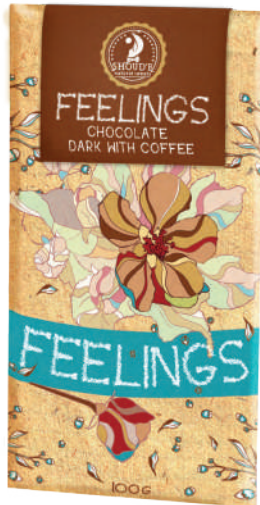

Feeling chocolate is a great way to express your attitude. Coffee symbolizes morning inspiration, in combination with dark chocolate creates a positive attitude and motivates to succeed. Salted caramel adds spiciness to the traditional taste real milk chocolate. Salt shades the sweetness of the product, creating a real harmonious combination. Tahini is a sesame seed paste that is common as an ingredient many dishes in the Middle East. Tahini gives milk chocolate the taste of halva.

Honey bars «SHOUD'E»

34% of the bar is natural honey, which saves all the vitamins and minerals due to production technology (honey is not subjected to heat treatment at high temperatures). The bar is formed by the method of cold press, so fruits and berries remain full of vitamins and minerals. Propolis in the composition provides additional benefits. No added sugar (there are glucose, fructose and sucrose in honey).
